

Create your own kind heart for wildlife

Get ready to show your love for nature with this wild and wonderful craft. Follow these steps, and let your imagination run free like the creatures we're celebrating!

What you'll need:

This page printed out
Scissors
Crayons, markers, paints - any colours you love
Glitter, stickers, sequins - go wild!
Glue (if you're adding sparkly extras)
String or tape (optional, to hang up your masterpiece!)

Instructions:

Print

Print this sheet and get ready to create something special.

Cut around the heart

Carefully cut out the heart shape (ask an adult for help if you need to!).

Go wild with decorating!

Colour it in bright, bold, and beautiful shades. Add patterns like animal prints, leafy vines, or fluttering butterflies. Sprinkle on some glitter for extra sparkle! Stick on gems, feathers, or stickers to make it roar with creativity!

Show it off

Hang your 'Kind heart for wildlife' in your room, on your window, or anywhere you like to spread love for our wild friends!

Bonus fun

Share your creations with friends and family and ask them to spread the love by posting on social media and tagging **@Leagueagainstcs** - let's get wild for wildlife!
