LEAGUE
AGAINST CRUEL SPORTS

Would you like grouse with that?

The shooting industry is responsible for the deaths of millions of animals every year... and we are not just talking about the grouse. Take a look at what you really get with every order...

Roast Grouse
Will contain traces of lead

Persecuted Raptor Roast
...Ask the chef for our Hen Harrier 'Taste of Extinction' Special

Small Mammal and Corvid Stew
Magpies, crows, squirrels, stoats... Millions massacred to ensure the grouse is on your plate

Lead Shot Swan Platter
Slow death swan with lead riddled cygnets on the side

Endangered Hare Salad
Scottish Mountain Hares are being wiped out by gamekeepers making this dish a very rare treat!

Snared Mammal Marinière
Badger, fox, deer, cat or dog...snares are indiscriminate so you don't know what you'll get!

An Inglorious Restaurant
