Wildlife Crime Intelligence Analyst

£32,000 - £35,000 per annum

Your impact:

You'll play a fundamental role in our mission by providing crucial insights and analysis to end cruelty to animals in the name of 'sport'!

Your analytical expertise, uncovering patterns, trends and insights from complex data sets will drive informed decisions, helping us to shape effective campaigns and influence decision-makers, enabling us to effectively combat wildlife crime and protect vulnerable animals.

Responsibilities:

- Analyse intelligence, knowledge systems and operational reports.
- Produce tactical and strategic target profiles, problem summaries and strategic documents.
- Liaise with external agencies, partners and contractors to gather relevant information.
- Present intelligence and analytical findings to internal and external audiences.
- Manage geospatial mapping tools and provide analytical support for investigations.
- Assist in the development of intelligence collection plans and strategies.

Must-have skills, education & experience:

- Demonstrable analyst experience in a comparable environment, such as law enforcement.
- A passionate advocate for wildlife protection and animal welfare.
- A skilled analytical thinker with a keen eye for detail and accuracy.
- A clear and effective communicator with strong interpersonal skills.

League culture

What do we do?

Animals are at the heart of everything we do. We strive to protect animals from being persecuted in the name of 'sport.'

We campaign for change

Standing up for those who don't have a voice, our hard-hitting campaigns inspire action and demand changes to legislation to protect them.

We educate

Our high-profile work in the media and expert behind the-scenes lobbying across the devolved nations, ensures we can create awareness of the plight our wildlife faces.

We provide intelligence to law enforcement

Our animal crimewatch gathers reports of suspected animal cruelty for us to investigate. Our in-house intelligence team provides packages for local law enforcement about those suspected of illegal activity to bring them to justice.

We safeguard the natural environment across our wildlife reserves

Our ten wildlife reserves provide a safe haven for animals to roam free from persecution. Our reserves allow space for wildlife to flourish with minimal intervention and after just a few years this has already seen positive environmental results.
